

## Affordable & Straightforward Business Communications

**FAX1140L/1180L**

# Daily Business Faxing in a Compact Package

Even in today's business world, faxing remains one of the most reliable and widely embraced forms of data transmission. With Ricoh's FAX1140L/1180L you can speed through your daily fax activities with the greatest ease. These fax devices not only boast numerous time saving features but also guarantee crisp and clear images and text at all times. With all the features these devices have to offer, they are still surprisingly compact: a perfect fit for any home or small office. The FAX1180L even goes one step further and offers extra multifunctionality to meet your occasional

- Straightforward faxing and colour
- Highly productive transmission in a mere 2.5 seconds
- 250 speed dials
- 50-sheet ADF
- Small footprint & full front operation
- Printing and colour scanning (FAX1180L)

## Time Saving

- incoming faxes on your desk in no time thanks to the fast 16 ppm print speed
- high productivity guaranteed through fast transmission
- print and fax simultaneously with the Dual Access capability
- extra time saving: transmit faxes to a group of receivers using a single scan

## Multifunctionality for Extra Needs

In addition to being a fully equipped fax, the FAX1180L is also an accurate printer and full colour TWAIN scanner, making it the clear choice for any office based environment!

- no need to invest in a separate printer and stand alone scanner
- standard 16 ppm laser printing from your PC at true 600 dpi resolution
- direct printing from and scanning to your USB memory device
- standard high quality colour scanning at true 600 dpi resolution

## Fits Anywhere

Uniting all the strengths of a professional plain paper fax device into a compact design: that's the FAX1140L/1180L's motto. With their small footprint and convenient full front operation, they can easily fit onto your desk or anywhere in the office without intruding on your workplace.

## Convenient Laser Copying

Need a quick copy? The FAX1140L/1180L are equipped to efficiently produce copies at the touch of a button. You can also reduce and enlarge your original documents from 25 up to 400% and sort your copies as you please.

## Efficient Business Communications

- easy faxing of lengthy documents: feed up to 50 pages via the Automatic Document Feeder
- benefit from 20/40 one touch quick dial buttons, 32 group dials and 250 speed dial locations for regularly used numbers

## Easy Operation

The FAX1140L/1180L are designed to make your fax traffic straightforward and trouble free. The simplified operation panel makes sure that sending a fax is uncomplicated and fast. Replacing toner is just as easy: simply open the front of the machine, pull out the all-in-one cartridge and slide in a new one.

## Continuous Availability

With their 250-sheet paper capacity, these fax machines are available at all times without requiring frequent refills. Missing any important fax messages is a thing of the past. Even if your FAX1140L/1180L should run out of paper or toner, they can store up to 125 pages of incoming fax messages into their memory.

## Ricoh's Green Commitment

Like all Ricoh products, the FAX1140L/1180L reflect Ricoh's commitment to the environment through their low power consumption and zero waste:

- 12 W power consumption in energy saver mode
- easily recyclable parts & long unit life
